

## Large Spanish Navaja Folding Knife

950 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Length : 64 cm

### Description

Large Spanish Navaja Folding Knife This knife is in excellent condition with European deer grips and brass and iron fittings and studs. The fittings are in great condition and have a good patina. The knife does not exhibit any play when blade is partially opened. The blade locks into place and closes perfectly. The blade is quite impressive having a clip point design and measuring 29.5 cm. The blade is also has been brass inlaid and has a width of 8.3 cm at its widest point. A rarely seen example. Specifications: Length 64 CM Closed 35 CMLength 41.9 CM Closed 23 CM
