

Mirror Of Venice 19th Century

980 EUR

Period : 19th century

Condition : Bon état

Material : Other

Width : 46 cm

Height : 66 cm

Description

Mirror called Venice surmounted by a pediment. The surround of the central mirror is executed with glazing beads, with mirror plates arranged at an angle. The central mirror has acquired a beautiful patina, the few black spots accentuate the charm of the Old. The back is parqueted. This model can be hung on the wall, or placed on its base. Good general condition, note a small lack on a fastener (close-up photo) Delivery at the buyer's expense.
