

19th Century Spanish Hunting Dagger From Toledo

580 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Length : 34 cm

Description

19th Century Spanish Toledo Hunting Dagger
A highly Spanish hunting knife, with beautiful high quality etchings on the blade. The handle is elaborate with horn and silver ferrules which are decorated with little patterns. The blade is a beautiful double edge design and speaks to the quality of Toledo smiths. Specifications: Length: 34 cm
