

## Set Of 6 Compartmentalized Plates, Paris Porcelain, Pavot Model

120 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Diameter : 24,5 cm

### Description

Set of six compartmentalized plates in fine porcelain. Manufactured by the Porcelaine de Paris company, founded in 1773. Polychrome decoration of the Pavot model: large red and blue flowers surrounded by green foliage, crowned coats of arms and a yellow and black geometric frieze on the border. Each plate is molded into five compartments with a central cavity. Very good condition
