

Part Of A Collection Of Earthenware Inkwells From The 18th And 19th Centuries

200 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Diameter : 22cm à 25cm en moyenne

Description

This is part of a collection of antique earthenware inkwells on the theme of the heart. Some are from the 18th century, others from the 19th century. They come from different factories and are all in very good condition. Their charm is as much in the choice of shapes and decorations as in the refinement of the colors of the "petit feu".
