Description

Sculpture representing Our Lady of the Immaculate Conception, made of wood covered with polychromy and gilding. It has inlaid glass eyes. The sculpture represents Mary in a prayer position, standing on clouds supported by angel heads. This is a popular image in sacred art, especially in Portuguese-speaking countries, where the Virgin Mary Immaculate Conception is the patron saint of Portugal. South America, Brazil ?, 18th century. Height 26.5 cm, width 10 cm, depth 8 cm. Good condition, polychromy losses. Free shipping in the European Union! I send parcels by insured mail (DPD or DHL). All items are packaged very carefully. Payment by international bank transfer. I will issue a certificate of authenticity upon request.
