Description

Refined amphora chandelier in Bohemian crystal and gilded bronze. The chandelier features six lights, providing beautiful illumination, and an additional light located inside the lower vase.

Crystal is the predominant material, featuring on the chains, bobèches, and the body, which is adorned with gilded bronze decorations featuring plant, floral, and geometric motifs, adding further refinement. There are also some small defects, but they are not detracting. This is a chandelier of great taste and elegance, capable of furnishing any space with class. French manufacture, mid-19th century. Dimensions: H x DM 90 x 55cm
