

Antique Valance 19 Meters XIXth Frieze Extended Roof Facade Decoration Architecture Woodwork

1 925 EUR

Period : 19th century

Condition : Bon état

Material : Pine

Length : 1924

Height : 32

Description

Very rare lot of Antique Lambrequin measuring 19.24 meters long and 32 centimeters high, completely stripped, coming from the "Ville D'Hiver" of Arcachon built at the end of the 19th century. This frieze will elegantly decorate your roof overhangs and will give your facade a unique charm.
