

## Exotic Scene

1 300 EUR

Signature : Anonyme

Period : 17th century

Condition : En l'etat

Material : Paper

Width : 12,5

Height : 7,5

### Description

Ink and wash drawing This type of composition refers to the representations of "Savages" very fashionable in Baroque Europe. After the great voyages (America, Africa, Asia), Italian, French and Flemish artists multiplied the so-called "exotic" scenes, populated by idealized figures supposed to represent the peoples of the New World. The ostriches and fantastic birds evoke the exotic animals described in the stories of missionaries and travelers.
