Description

Extendable dining table by De Coene Frères
Round oak ebonised table with veneer top with a hidden extendable piece
The clean lines give this table a modernist look
115 cm in diameter and 75 cm high
Hidden extendable piece of 48 cm so total length is 163 cm
Very good vintage condition, only small signs of use consistent with age and use
This table is part of a set with matching chairs and cabinets
High-quality Belgian mid-century modern design.
