

Georges Levy Biscuit Romantic Young Girl

650 EUR

Signature : Georges Levy

Period : 19th century

Condition : Très bon état

Material : Biscuit

Description

A biscuit porcelain figure signed by Georges Levy, depicting a young girl with flowers, in a romantic style. The work is extremely fine and precise; the details demonstrate the artist's great skill. A small restoration is needed on the raised hand, specifically on one finger (see photos). This could be carried out by a professional for an additional fee. An interesting piece.
