Height : 29 cm

Description

Diana of Versailles: A Powerful 19th-Century Gilt Bronze Bust. Be captivated by the presence of this magnificent bust of Diana of Versailles. Captured in profile and draped in the classical style, this bronze sculpture commands attention. The quality of the casting is remarkable, and the exquisitely fine chasing highlights every detail. The bust retains its superb original gilding, giving it a precious luster. It is elegantly presented on a molded pedestal resting on a solid square base. A versatile centerpiece: Whether used to enhance a sophisticated classical décor or to create a striking contrast in a contemporary setting, this sculpture will bring a touch of nobility and history to your home. Provenance: Private Collection, Mid-19th Century, Paris (Barbedienne-style foundry, judging by the quality and assembly).
