

Bohemian Crystal Mug

120 EUR

Period : 19th century

Condition : Très bon état

Width : 15 cm

Diameter : 11 cm

Height : 15 cm

Description

Tourism developed in the mid-19th century, and people were already bringing back souvenirs of their adventures. This Bohemian cut crystal piece is decorated with monuments in reserves, accompanied by Gothic script (I don't have a translation). The intricate Gothic monogram also dates the object. It is in perfect original condition.
