

## Antique Florentine Side Table - Bottega Falcini, 19th Century

2 700 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

### Description

Beautiful antique side table made by the famous Bottega Falcini of Florence, renowned for its artistic 19th-century marquetry. The tabletop features a refined polychrome inlay with floral motifs and a central bird, crafted from fine woods (walnut, maple, rosewood, kingwood, ebony). Solid wood structure with turned baluster legs and a lower shelf for additional support or display. It is in very good overall condition, showing only minor signs of age. Dimensions: Total width open: 85 cm - Closed width: 56 cm - Depth: 41 cm - Height: 58 cm CONTACT - For any additional information, please do not hesitate to contact us!
