PROANTIC
LE PLUS BEAU CATALOGUE D'ANTIQUITES

Early Period Surgical Scissors

135 EUR

Period : Before 16th century

Condition : Parfait état

Material : Wrought iron

Length : 12 cm

Width : 5 cm

Description

How clever... back then, we may not have washed our hands, but we knew how to put away our scissors, after God knows what procedure, by carefully folding the finger slots to take up less space in the case... Amazing.
