Description

A domed leather trunk decorated with heart-shaped gold studs and geometric patterns, likely a travel trunk designed to withstand transport in a carriage or mail coach. This charming trunk, originally made for wooden mail coaches, is covered in leather featuring studded designs: arabesques, etc. It retains its original wrought-iron handles on the sides and its original paper lining, a beautiful 18th-century floral paper, handmade at the time. (It could potentially be cleaned and refreshed.) The leather covering has aged and could benefit from some minor restoration, but nothing alarming; overall, it is in good condition. A very pretty trunk with old-world charm, offering ample storage and a beautifully crafted design. Dimensions: 60 cm long x 33 cm wide x 43 cm high. We deliver and
