Description

A 1950s GRUEN chrome-plated metal chronograph watch. This chronograph is unique in that it is equipped with a prestigious LANDERON caliber, a mechanical, hand-wound movement. The watch's overall patina, with wear on the edges of the chrome case, along with the beautiful color of its dial, contributes to its 1950s aesthetic. The case back is made of stainless steel. It is fitted with a thick, high-quality brown leather strap. The watch is signed on the dial. In perfect condition and serviced, its proper functioning is guaranteed by us for one year (except in case of shock or immersion). Model: CHRONO Year: 1950 Movement: Mechanical, hand-wound Caliber: LANDERONE Lever escapement Dial: Original, mixed (indexes and Arabic numerals) Strap: Leather (new), spring bars Buckle: Tang
