Description

We present this 20th-century Persian rug (circa 1980s), handcrafted from wool. This stunning rug features design features from the rugs known as Sirjan. Its intricate decoration features predominantly geometric patterns, culminating in a beautiful central medallion. The main colors are red and midnight blue. A rug that would enhance any room in the home. Considering that this is a used, vintage rug, it is in good condition. Please note a small red discoloration visible on one edge (see photo details), likely caused by washing.
