Description

A very fine rectangular sideboard, at waist height, crafted from solid mahogany, mahogany veneer, and mottled mahogany, molded and decorated with fluted pilasters. It features two drawers in the frieze and two doors, and rests on a plinth. Its size is quite unusual, being much shallower than average, and its meticulous craftsmanship makes it exceptionally elegant. A sideboard of very high quality with clean, elegant lines. Late 18th century work, stamped JACOB, Henri Jacob (December 25, 1753 - December 2, 1824), Master on September 29, 1779. Dimensions: H. 110 cm x W. 200 cm x D. 50 cm
