Description

Elegant 19th Century Bench with Six Turned Legs, circa 1840 France / 1840 / bench / wood, fabric / Antique / French Provincial A refined and elongated antique bench dating from around 1840, featuring six beautifully hand-turned legs that exemplify the craftsmanship of the early Victorian period. Its timeless silhouette and understated elegance make it a versatile addition to both traditional and contemporary interiors. The bench retains its original character and warm patina, offering a sense of authenticity and age. Perfect for decorators seeking a piece with historical charm and graceful proportions -- ideal for use in an entryway, under a window, or at the end of a dining table. Reupholstery can be tailored in consultation with the client, allowing customization to suit any project's aesthetic.
