Description

France / 1976 / Coffee table / Chapo / T02M / Elm wood / Mid CenturyA striking example of Pierre Chapo's masterful craftsmanship, this T02M coffee table, designed and produced in 1976, embodies the timeless harmony between material, form, and function that defines Chapo's work. Executed in solid French elm, the table displays the warm grain and natural tone characteristic of this noble wood.The bold, architectural silhouette -- with its thick circular top and robust cylindrical legs -- reflects Chapo's commitment to honest construction and proportion. Each joinery detail is carefully considered, showcasing his deep respect for traditional carpentry techniques.Stamped "P. Chapo 1976" beneath the tabletop, this piece carries both authenticity and provenance. Its
