Description

? Vintage Oval Gold Mirror - Beveled Glass, Charm and Elegance (82 × 64 cm) A mirror with timeless charm. This superb oval gold mirror embodies the softness and elegance of vintage style. Its finely sculpted frame, adorned with scrolls and delicate motifs, reveals refined craftsmanship and a beautiful golden patina that illuminates the space without ever weighing it down. A beveled glass, a guarantee of quality and refinement. The beveled edge of the glass, a typical detail of quality mirrors from the mid-20th century, captures light with finesse and gives each reflection a touch of depth and brilliance. It is a truly distinctive mirror, both useful and decorative. A decorative asset for any room. Placed in an entryway, above a console table, a fireplace, or in a bedroom, this piece tastefully
