Description

Large wrought iron sculpture, likely from a sign or other significant ironwork decoration, depicting a large Greek warrior's helmet in the antique style. Entirely handcrafted in wrought iron and assembled by riveting, this large piece is a superb object of curiosity and decoration. In good condition and retaining its lovely antique brown patina, it is currently displayed on an antique waxed wooden stand. The work dates from the second half of the 17th century. Note: Shipping to France is possible via Colissimo tracked service: 50 euros. Other destinations upon request.
