

Pair Of Candle Holders

850 EUR

Period : 19th century

Condition : Etat d'usage

Material : Wrought iron

Description

Made with very old wrought iron elements. The candle holders are composed of three angled, fleur-de-lis-adorned sections. They rest on a turned stem decorated with three stylized baluster motifs alternating with two centered rings and a tripod base. Gothic style, 19th century. Height: 114 cm / Diameter of tripod base: 45 cm (approx.) / Diameter of supports: 17 cm (approx.) (repairs) Provenance: Palacio Laurgain, Zarautz (province of Gipuzkoa, Spanish Basque Country). Highly decorative and symbolizing the Trinity, this pair of candle holders likely adorned the chapel of the "palacio." Built on a mountainside in the hills above Zarautz, the Palacio Laurgain takes us on a journey through time, from the "Spanish Golden Age" to the 19th century. Several generations of an illustrious Spanish
