

Art Deco Period Varnished Asymmetrical Desk

2 250 EUR

Period : 20th century

Condition : Restauré

Material : Wood marquetry

Length : 239

Width : 63

Height : 78

Description

Art Deco period desk, circa 1930-40. Made of rosewood-stained and revarnished wood. Asymmetrical in shape with a curved top. It features four drawers on the right and a column on the left. It rests on a curved H-shaped base finished with molded glides. The revarnished piece is in superb condition. Note the numerous reflections in the photos, which are not present in reality. Height to the apron: 65 cm
