Description

Four magnificent antique glass doors dating from the Art Deco period of a bourgeois house, in very good condition, with all their original beveled glass panes. Highly decorative elements for multiple uses : bay window, accordion-style glass partition, separate doors for use as a bookcase within the room, two double connecting doors... You will obtain maximum light and reflections further enhanced by the beveled glass which makes the light shimmer. Dimensions: height 289 cm, width 74 x 70.3 x 73.5 x 74 cm = 292 cmPhotos 2is a simulation that illustrate the decorative potential of this glass set.
