Louis XV Style Secretary Desk

2 800 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Wood marquetry

Width : 90

Height : 202

Depth : 40

Description

This uniquely shaped secretary desk originates from Piedmont, Italy. The marquetry is remarkable, the design beautiful, and the proportions perfectly balanced : a very attractive piece of furniture for decorating a living room or entryway, and one that will prove very practical for everyday storage. The piece has been fully restored in our workshop and finished with a French polish.
