Description

A screen attributed to Charlotte Perriand. The modernity of its design showcases her work. It features rebated joints assembled with half-lap joints, all secured with dowels. The quarter-round molding framing the fabric is also meticulously crafted and finished. Even the hinges are of exceptional quality. Both the legs and the top are straight and perfectly finished. The original Bordeaux red fabric is fine, durable, and clean. The five panels offer stability, lightness, and optimal extension. It was likely used to divide a large room, a restaurant, a conference room, etc. A rare piece. Delivery is possible but not included in the price.
