Description

A Napoleon III period bamboo desk. The structure consists of an "X" shaped stretcher for the lower section and an "H" shaped stretcher for the upper section. The pine top is framed in bamboo, as is the writing surface. The drawer unit provides the only solid section with a Japanese-inspired design. The gallery adds a touch of roundness and lightness. Simple and understated, it invites nature into our lives, bringing us serenity. Delivery is available but not included in the price.
