## Description

Three miniature children's or serving silver cutlery sets, hallmarked by the renowned Georg Jensen silversmiths in Denmark, with a French guarantee hallmark of a weevil. The Acorn pattern, designed by Johan Rohde in 1915, features an interesting design somewhere between Art Nouveau and Art Deco, with stylized foliage. A rare early edition set from the first half of the 20th century. The three pieces weigh 65 grams: knife 11cm, fork 9.5cm, spoon 10cm. Good condition with minor scratches from use. All questions welcome.
