Description

A sumptuous Louis XIV-style jug for serving water, beer, cider, or fruit juice at the table. Made of sterling silver (950%), it was crafted in the renowned and prestigious workshops of Puiforcat in the mid-20th century. True to Puiforcat tradition, this jug is exceptionally robust and weighs over a kilogram. Its style and shape are inspired by objects from the Louis XIV period of the late 17th and early 18th centuries. It holds 1.15 liters and weighs 1010 grams.
