Brass "national" Cash Register, Early 20th Century, Circa 1900

1 200 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Decorative "National" cash register from around 1900, beautifully crafted in engraved and gilt brass. This impressive antique model features elaborate relief decoration and the elegant design typical of early 20th-century craftsmanship. The register appears complete and functional, though it is offered as a decorative piece, as its mechanical operation has not been tested. in), Depth 30 cm (11.8 in).A striking and collectible example of turn-of-the-century industrial design, perfect as a decorative focal point for vintage or eclectic interiors
