## Pair Of Late-meiji Satsuma Moon-flask Vases With Dragon Handles, C. 1900

800 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Width : 10 cm

Height : 25 cm

Depth : 21 cm

### Description

A dramatic Kyo-Satsuma pair featuring moon-flask forms with sculptural dragon handles. Rich brocade-style enamelling and raised gilt (moriage) animate every surface, while twin narrative panels depict immortals surrounding a central dignitary. The glowing gold and jewel tones catch the light, giving depth and movement. Shimazu mons accent the necks--decorative rather than factory marks.

An authentic statement ensemble from the height of Meiji export art.
