

Louis XVI Style Giltwood Four-panel Screen From The Napoleon III Period

1 450 EUR

Period : 19th century

Condition : Etat d'usage

Material : Gilted wood

Width : 188

Height : 163

Depth : 4

Description

A lovely Louis XVI style giltwood screen, the upper section glazed with small beveled panes. 19th century. Good condition, original double-folding hinges in good working order. This allows the screen to be completely closed for easy storage (compact). Original fabric needs cleaning (some stains, see photos) or replacement (quote upon request). Sturdy and stable. Original gilding in good condition. Dimensions of each panel: Height 163 x Width 47 cm. Total depth when folded: 10.5 cm
