Description

Bring the elegance and sensuality of Viennese symbolism into your home with this wall art reproduction of Gustav Klimt's masterpiece, The Kiss. The original work, created between 1907 and 1908 in oil and gold leaf on canvas, depicts an embracing couple in a rich and ornate setting, where gilding and geometric patterns blend with warm tones of yellow, green, and ochre. Each reproduction is handcrafted using image transfer and manual aging techniques. Cracking, patina, and a carefully worked stretcher frame give the piece the charm and authenticity of an antique painting, while making it truly unique.
