Vintage Florentine Lantern In Iron And Glass - 1960s

240 EUR

Period : 20th century

Condition : Etat d'usage

Material : Wrought iron

Length : 65 + 30 chaine

Diameter : 33 max

Description

This Florentine lantern is made of sheet iron painted in the classic tones of the Venetian palette - red, olive green, and azure blue - typical of 18th-century Venetian style. The light from a single E27 bulb is softened by frosted glass panels, which diffuse a gentle glow and evoke the hushed atmosphere of Venetian palaces. The lantern is in good overall condition, with no restoration. However, it is recommended to replace the electrical system before installation.
