19th Century Silver Pocket Sundial

350 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

An elegant 19th-century pocket sundial, designed to be carried by hand, crafted from finely engraved silver-plated metal. This compact and functional timepiece reflects the refinement and precision characteristic of 19th-century scientific instruments, combining practicality and aesthetics. A charming example of portable horology, ideal for collectors of antique scientific or navigational instruments. Dimensions: Diameter 5 cm. A refined and collectible 19th-century sundial, combining technical ingenuity and timeless elegance.
