

19th-century Chinese Portable Sundial In Engraved And Enameled Bronze

750 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

A rare 19th-century Chinese portable sundial, finely crafted in engraved and enameled bronze. This instrument, with its precise details, testifies to the craftsmanship and scientific artistry of Qing Dynasty China, where functionality and ornamentation were elegantly combined. The engravings and colored enamel accents highlight the precision and aesthetic refinement of the artisan, reflecting both technical mastery and artistic sensibility. Dimensions (closed): 14 × 10 × 3 cm. A rare collector's item, this 19th-century Chinese scientific instrument, remarkable for its engraved and enameled decoration, will delight enthusiasts of antique horology, navigation, and Asian craftsmanship.
