

19th Century Portable Wooden Sundial

450 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Description

A charming portable sundial in engraved wood, dating from the 19th century. This compact timekeeping instrument exemplifies the practical elegance and craftsmanship of traditional scientific instruments of the period. The piece features fine engraved details and a warm, natural patina, attesting to its age and authenticity. When closed, it measures 8 × 5 × 2 cm. A decorative and collectible 19th-century scientific instrument, ideal for enthusiasts of antique horology, navigation, and unusual objects.
