

Small Art Nouveau Parrot-decorated Display Shelf

250 EUR

Period : 20th century

Condition : Parfait état

Material : Brass

Width : 40 cm

Height : 36.5 cm

Description

This Art Nouveau display shelf, in the naturalist style, dates from around 1900. Made of stained beechwood and covered with embossed brass depicting a parrot surrounded by vegetation, its triangular shape is quite original. The edges are covered with applied tin strips studded with hammered gilt nails, a very fine and charming example of folk art. The shelf is 9.5 cm deep. Shipping available within France and internationally; please contact me for details.
