Description

An elegant 19th-century portable sundial, signed "Dollond London," finely crafted in wood and brass. The renowned Dollond family of London were among the most prominent makers of scientific instruments in the 18th and 19th centuries, celebrated for the precision and quality of their creations. This compact piece combines technical ingenuity and refined design, serving as both a functional instrument and a beautiful collector's item. Dimensions (closed): 6 × 6 × 2 cm. Rare and exquisitely crafted, this English sundial testifies to the excellence of Dollond craftsmanship and is an exceptional piece for collectors of antique clocks and navigational instruments.
