19th-century Carved Wooden "black Forest" Pipe Holder Depicting A Dog

200 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Width : 46 cm

Height : 26 cm

Description

Carved from a single wooden panel, this is a beautiful hunting dog in profile against a pastoral backdrop. The panel features a pipe rack mounted on hinges. This piece, known as "Black Forest" woodwork, dates from the second half of the 19th century and originates from Switzerland. Over time, the panel has slightly warped (see photo), but this does not detract from its beauty. Shipping within France and internationally, please contact me for details.
