

19th Century Silvered And Engraved Bronze Portable Sundial

500 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Description

An elegant 19th-century portable sundial, crafted from partially silvered bronze and finely engraved with precise graduations and decorative details. This compact timekeeping instrument testifies to the technical skill and aesthetic refinement characteristic of 19th-century European scientific craftsmanship. The combination of silver and gold surfaces enhances legibility and visual appeal, making this sundial a fine example of the period's functional and ornamental design. Dimensions (closed): Height 3 cm, Diameter 8 cm. A collector's and decorative piece, this 19th-century sundial is ideal for enthusiasts of horology, navigation, and antique scientific instruments.
