"Cow and her calf," French school, circa 1760, 18th century, oil on canvas. We present an animal scene that was very popular in French and European painting throughout the 18th century. This return to nature and scenes of daily life would later achieve great success with the work of Jean-Jacques Rousseau. Our painting depicts an intimate and touching scene captured in a moment of stillness. Private collection. In perfect condition. Dimensions: h. 49.5 cm x w. 60.5 cm.
