Description

French School, Early 20th Century. Presumed portrait of Paul Cézanne in his studio: a tribute to Cézanne. Oil on canvas. 54 x 46 cm (canvas). 66 x 57.5 cm (frame). This work could be a tribute to the Post-Impressionist painter from Aix-en-Provence, Paul Cézanne. He is depicted in profile in his studio, his palette in the foreground, identifiable by his black beard and long nose. In the background, we can recognize a painting of Paul Cézanne's Bathers; however, we have not been able to identify this version within his oeuvre.
