Description

Islettes Plate - Late 18th Century. Rare 8-lobed, high-fired plate from the late 18th century. This dating and origin are explained by reviewing the captions for the photos in the reference book (see the Vincent potter's plate, "Good Citizen," of similar shape and decoration). Post-revolutionary period. Decorated with garlands and bouquets. Good condition, however, a chip has been repaired. Diameter 22.5 cm
