Bronze "mother And Child" Andor Ruff

350 EUR

Signature : Andor RUFF (1885-1951)

Period : 20th century

Condition : Parfait état

Diameter : 8,5cm

Height : 21cm

Description

A bronze sculpture with a brown patina, "The Water Carrier," depicting a woman in a long dress and veil, with her child clinging to her neck and standing on her back. In her right hand: a water jug. This bronze, dating from 1900, is in the Orientalist style. Signed on the base by the sculptor Andor Ruff (1885-1951). Fine chasing, beautiful patina, no flaws to report!
