

Waly Stag Plate - Early 19th Century

230 EUR

Period : 19th century

Condition : Parfait état

Material : Earthenware

Diameter : 23 cm

Description

Waly Stag Plate - Early 19th Century
Rare polychrome Waly plate depicting a stag watched by a bird perched in a tree. The stag is rearing up between two trees, all resting on grassy ground. In perfect condition; no repairs. There is a small chip in the glaze (poor workmanship, not a crack). Diameter 23 cm
