Description

Epinal plate - Late 18th - Early 19th century. A high-fired plate with decoration characteristic of Epinal plates. It features an 8-lobed rim and typical colors. Decorated with a bird on a fence resting on a grassy mound. The rim is decorated with three bouquets. See the reference book; this plate is reproduced there. Good condition. Note: one hairline crack and three small chips in the glaze on the rim (manufacturing flaw). Diameter 23.2 cm. I have at least one hundred Epinal plates from this period in my collection (roosters, birds, flowers, houses, etc.). Please feel free to contact me for any information. Photos can be sent.
