Description

Elegant giltwood mirror on a black background, suitable for tabletop or wall mounting. The thick frame features a rich combination of gilt and black. The gilt is applied to intricate carved motifs and moldings, giving it a luxurious, antique look. The corners are decorated with flowers and shell-like scrolls. The contrast between the gold and the black interior of the mirror creates visual depth and highlights the brilliance of the gold. The back is made of oak. This decorative mirror has a strong personality and is ideal for adding a touch of opulent, vintage elegance to any interior. It is in very good overall condition.
